About

I am an aspiring Software Development Engineer with a strong foundation in Data Structures and Algorithms and a passion for solving complex problems. I continuously work on improving my coding skills through regular practice and by tackling real-world challenges. In addition to programming, I have knowledge of UI/UX design and JDBC for efficient database connectivity. I am eager to learn new technologies, collaborate with others, and grow as a developer while building scalable and impactful software solutions.

Education

- **Karpagam Institute of Technology** Tamilnadu, India
  Bachelor of Technology - Artificial Intelligence and Data Science; CGPA: 7.5 *2023 - 2027*
  Courses: *Operating Systems, Data Structures and Algorithms, Artificial Intelligence, Machine Learning, Computer Networks, Databases*

Skills Summary

- **Languages**: Python,JAVA
- **Frameworks**: React.js, Node.js, Matplotlib, Pandas, BootStrap
- **Tools**: GIT, PostgreSQL, MySQL, VS Code, Cursor, LLM
- **Platforms**: Window, Azure, AWS
- **Soft Skills**: Leadership, Event Management, Writing, Public Speaking, Time Management

Projects

- **CivicBot Platform**: (2 Month)
  - Developed an AI-powered customer support platform enabling businesses to create and manage intelligent chatbots.
  - Implemented **RAG (Retrieval-Augmented Generation)** with **Pinecone** to deliver accurate, context-aware responses from uploaded knowledge bases.
  - Built scalable backend services and **RESTful APIs** using **Express.js**, with **Bull Queue** and **Redis** for asynchronous task processing.
  - Designed responsive user interfaces using **Next.js 14, React 18, TypeScript,** and **Tailwind CSS**.
  - Utilized **PostgreSQL** for data management and optimized application performance through efficient caching and retrieval mechanisms.

Certifications

- **Microsoft Azure**: AZ-900 (Azure Fundamentals)
- **NPTEL**: The Joy of Computing Using Python , Education for Sustainable Development
- **AWS Certified Cloud Practitioner**: Amazon Web Services
- **CISCO**: IT Support Essentials
- **CISCO**: Network Technician
